| Adolescent Health Work Group for Healthy People 2020 | Committee/Workgroup | This ongoing workshop addresses adolescent health - a continued Healthy People 2020 topic. The committee identifies opportunities that could be implemented with existing resources, and new ideas requiring additional resources. Currently, the focus is on three current near-term priorities: (1) Enrolling eligible adolescents in Medicaid and the Children's Health Insurance Program; (2) Preventing and addressing mental disorders and promoting mental wellness in adolescents; and (3) Engaging youth. | ACF/AHRQ/CDC/ CMS/FDA/HRSA/ OS/SAMHSA | Social/Behavior Research. | **NICHD**/NIMH | Health Care Reform: Behavioral Science. | Unknown | 0 |
| Adolescent Health Working Group | Committee/Workgroup | Interagency working group established in January 2010 within the Office of the Assistant Secretary for Health as a forum for HHS agencies to share updates on adolescent health activities and address cross-cutting issues. | ACF/AHRQ/CDC/ CMS/FDA/HRSA/ IHS/SAMHSA | Social/Behavior Research. | **NIDA**/NIMH | Health Care Reform: Behavioral Science. | 2010 | 0 |
| Advances in Prevention Evaluation | Meeting/Workshop | Four one-day expert meetings were held to gather information on the most critical issues to consider in the evaluation of complex, large scale, multi-level, multi-site prevention intervention programs that address mental, emotional and behavioral disorders in youth. The meetings were supported by NIDA and organized by an interagency evaluation sub-committee of the Federal Prevention Prepared Communities Interagency Working Group (SAMHSA, USDOE, DOJ, ONDCP, and NIH). | ACF/CDC/ SAMHSA | Accelerate Discovery to Improve Patient Care: Innovative Biomedical Methodologies. | Annual Tribal Budget Consultations | Meeting/Workshop | In compliance with Executive Order 13175, the Secretary of HHS convened Annual Tribal Budget Consultation sessions in 8 of 10 HHS regions. Tribal Affairs, Office of Intergovernmental Affairs coordinated and executed the sessions. Accordingly, each Federal agency must have an accountable process to ensure meaningful and timely input by tribal officials in the development of regulatory policies that have tribal implications. While HHS and a number of its operating divisions have established a consultation process, the NIH has not established such a process. NICHD participated in the Denver session held in HHS Region 8. | ACF/AoA/AHRQ/ ATSDR/CDC/ CMS/FDA/HRSA/ IHS/OS/OSG/ SAMHSA | NONE | **NICHD** | Empowering Biomedical Research Community: Workforce Diversity. | Federal Partners in the Gulf Long-Term Follow-up (GuLF) Study Working Group | Committee/Workgroup | The Federal Partners in the Gulf Long-Term Follow-up (GuLF) Study Working Group is an interagency group of Federal agencies responding to potential health effects of the Deepwater Horizon oil spill disaster. The working group was convened to provide input on the design and conduct of the Gulf Long-Term Follow-up (GuLF) study, a longitudinal study of oil spill clean-up workers led by the National Institute of Environmental Health Sciences with support from the NIH Common Fund, NIH OD and BP. Working group members share ideas on ways to maximize interagency efficiency and effectiveness by working collaboratively on areas of common interest and sharing data and samples collected by their agencies, they identify data collection needs that could be met by the GuLF study rather than duplicate surveys to the same population, and they identify agency resources that could be brought together to improve the GuLF study. Scientific oversight for the study is provided by the National Academy of Science's Institute of Medicine. | ACF/ATSDR/ CDC/CMS/FDA/ HRSA/OS/ SAMHSA | Accelerate Discovery to Improve Patient Care: Disseminate health information to the public. | National Health and Nutrition Examination Survey (NHANES) | Health Survey | A program of studies designed to assess the health and nutritional status of adults and children in the United States. The survey is unique in that it combines interviews and physical examinations. | ACF/CDC/FDA/ OS | Accelerate Discovery to Improve Patient Care: Disseminate health information to the public. Nutrition/Obesity. | **NIA/NCI**/NHLBI/ NIDDK/**OD** | Health Care Reform: Behavioral Science and Health Information Technology. | 1999 | 2,020,000 |
| National Health Interview Survey (NHIS) | Health Survey | The National Health Interview Survey (NHIS) has monitored the health of the nation since 1957. NHIS data on a broad range of health topics are collected through personal household interviews. For over 50 years, the U.S. Census Bureau has been the data collection agent for the National Health Interview Survey. Survey results have been instrumental in providing data to track health status, health care access, and progress toward achieving national health objectives. | ACF | Accelerate Discovery to Improve Patient Care: Disseminate health information to the public. | Work, Family and Health Network | Research Initiative | The Administration for Children and Families, Office of Planning, Research and Evaluation is providing NICHD funds to partially support the "Work, Family, and Health Network," a research project of NICHD. This project is examining the effects of a workplace intervention designed to reduce work-family conflict and thereby improve the health and well-being of employees and their families. There is a modification agreement and the purpose of the modification agreement is to provide continuation of research support for the Work, Family and Health Network (WFHN) "Limited Competition for Evaluating the Health Benefits of Workplace Policies and Practices." The WFHN evaluated the health benefits of workplace policies and practices aimed at ameliorating work-family conflict. | ACF/CDC | Early Childhood Health/Development.
