## Figure 4: FY 2010 NIH Collaborative Activities and Funding Contributions by Category

**Total Collaborations = 594 Funded Collaborations = 224 NIH Funding Contributions = $399,479,301[1]**

[1]Total NIH funding contributions for all categories combined equals $399,479,301 for FY 2010.
[2]Each funding percent represents the total NIH dollars contributed for a particular category divided by the total NIH dollars contributed for all 224 funded collaborations for 2010. The 370 non-funded collaborations are not included.
[3]Other collaborations include, but are not limited to, content services, detailed personnel, and logistical support.
