

# I Am the Data, the Data Is Me

## Photo Showcase

Join us in honoring **Native American Heritage Month**! Submit an original photo to help raise awareness about **Indigenous data sovereignty**—Native people's right to control their data.

### Here's how:

**Think**

about the theme: **"I am the data, the data is me."**

**Take**

an original photo that connects to the theme.

**Write**

a short description of how your photo connects to the theme.

**Submit**

your photo anytime by **Saturday, November 30, 2024** for a chance to be featured—with compensation and credit—on our website and social media.

If you're American Indian or Alaska Native, learn more and submit your photo at:
